Personal, Social and Emotional Development

Making relationships

‡ Make dens from sheets and blankets that I can play in with you or my friends.

Self-confidence and self-awareness

‡ Make a box with different things in it, like glue and different types of paper that I can choose from when I am taking a picture or model from boxes.

Managing feelings and behaviour

‡ Talk to me about the order I need to do things in, like brushing my teeth or getting ready for bed.

Communication and Language

Listening and attention

‡ Use sock puppets or toy people or animals when you're sharing one of my favourite stories or songs with me.

Understanding

‡ When we are making a sandwich together, tell me what you are doing so I know what to do.

Speaking

‡ When we are playing with things, use new words to describe what I'm doing with them or tell me what they are called.
